Dear researcher,
thank you for your interest in the art.pics database!

Before using the database for experimental purposes, please carefully read the following points:

For validation and citation, please use:
Thieleking R, Medawar E, Disch L and Witte AV (2020) art.pics Database: An Open Access Database for Art Stimuli for Experimental Research. Front. Psychol. 11:576580. doi: 10.3389/fpsyg.2020.576580

1. This database is intended to be used for research purpose only and MUST NOT be broadcasted via social media or mass communication (please refrain from free access uploading). Keep in mind: this is to keep the validity of the provided stimuli for experimental set-ups.
2. For using this database you must agree and follow the conditions of use of Creative Commons Attribution License (CC BY):
   The use, distribution or reproduction in other forums is permitted, provided the original author(s) and the copyright owner(s) are credited and that the original publication in this journal is cited, in accordance with accepted academic practice. No use, distribution or reproduction is permitted which does not comply with these terms.

   You are free to:
   - Share (copy, distribute, transmit the work)
   - Remix (adapt the work)

   Only under the following conditions
   - Attribution: you must attribute the work in the manner specified by the author or licensor (but not in any way that suggests that they endorse you or your use of the work)
   - Noncommercial: You may not use this work for commercial purposes *except* for display in scientific publications for illustration of the research up to 20 images.
   - Share Alike: If you alter, transform, or build upon this work, you may distribute the resulting work only under the same or similar license to this one.
3. In publications, if possible, we encourage authors to include in a footnote the catalog numbers of the pictures used in the experiment, as this assists in replication and extension of the database.

If you have any questions regarding the database, please contact Veronica Witte at witte@cbs.mpg.de.

I agree to the above stated rules and will use the database accordingly:
